WE CARE ABOUT SAFETY

# CREATING SMART SPACES FOR PEOPLE TO LIVE, WORK AND LEARN

ALGECO CAN HELP YOUR BUSINESS RESPECT SOCIAL DISTANCING AND PROTECT COLLEAGUE HEALTH

Algeco is the leading business services company specialized in modular spaces across Europe and Asia Pacific. We build smart spaces for people to live, work and learn in. Our business is designed to help customers find the right space solution, no matter what their requirements.

In light of the Coronavirus pandemic, we offer solutions for governments and companies to face this unique situation. Algeco offers a series of modular solutions for **Construction, Office, Education and more** – ensuring the respect of social distancing and health security measures. With 250,000 modules deployed in 23 countries, we have the capacity to deliver to our customers quickly, regardless of their m<sup>2</sup> requirements.

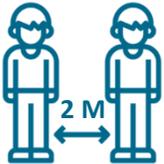

We have developed adapted solutions to provide additional buildings wherever the COVID-19 crisis requires it.

# SAFETY MEASURES

Algeco applies **Standard Operation Procedures** based on guidelines provided by the World Health Organization. These ensure that all our products and services respect a set of rules of guidance for employers and businesses – thus helping prevent the spread of Coronavirus (COVID-19).

All our employees are committed to a Global **HSE First initiative**, continuously improving our Health and Safety measures. We apply these values and commitments to ensure the safety of your workforce, the public or any visitors present on our sites.

## 1. KEEP YOUR DISTANCE

Observe social distancing guidance whilst you are travelling, as far as is practical. Social distancing means staying 2 metres (6ft) apart from each other.

**ALL OUR NEW MODULE CONFIGURATIONS ENSURE THIS SOCIAL DISTANCING MEASURE**

## 2. WASH YOUR HANDS FREQUENTLY

Employees should be reminded to wash their hands more frequently (min 20 seconds) – and cough or sneeze in a tissue or into their elbow.

**OUR SHOWERS & TOILET FACILITIES INTEGRATE DISPENSERS**

## 3. CLEAN & DISINFECT FREQUENTLY

Frequently clean and disinfect objects and surfaces prone to frequent touch, using standard cleaning products.

**OUR 360° SERVICE PANEL INTEGRATES DISINFECTION SOLUTION BEFORE, DURING & AFTER USE OF YOUR PREMISES**
